STRATEGIC CONSIDERATIONS

There are planned protest rallies scheduled today on both sides of the border at the Peace Bridge. With that, there could be implications for both the US and Canada with people of unknown intentions crossing the border. Collaborating with US authorities may determine the identity of the individual and to better understand his intentions. It is possible that the person, since they had posted that they travelled to Buffalo, could be involved with the activities at the Peace Bridge on the US side.

LIIMITATIONS

Although effort has been made to review all publicly visible social media and web sources for information relevant to this brief, the absence of threat information herein should not be taken as an exhaustive examination of potential threats. A large volume of information is available online and constantly evolving.
